## Education

Degree	Institute	CGPA/Percentage	Year
B.Tech., CSE	Banasthali University, Jaipur	9.25	2022-26
Senior Secondary	Hans Raj Model School, Delhi	85	2022
Secondary	Hans Raj Model School, Delhi	91	2020

## Experience

### Web Developer Intern

May 2023 – June 2023

CodeAlpha

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript, ensuring a responsive and visually appealing interface to showcase skills and projects.
- Built a vlog website with an intuitive content management system, enabling structured video organization and seamless user interaction.
- Developed a resume builder website that streamlines resume creation with customizable templates, enhancing accessibility and ease of use for job seekers.

## Projects

### Interactive Travel Guide Website | *Html, CSS, Javascript, Java, MySQL Database, Apache Derby*

- Designed and developed a dynamic travel guide website that helps in exploring India and its various states and includes features like search and voice-recognition capabilities to enhance user experience.
- Simplified access to state-specific travel information, improving user engagement through interactive features.
- Designed and maintained a secure backend with technologies like JSP and Servlet that helps in ensuring an efficient interaction with the database.

### Portfolio Website | *Html, CSS, Javascript, Web Development*

- Designed a professional portfolio website to effectively highlight personal skills, certifications, and achievements in an engaging and visually appealing format.
- Includes interactive elements like downloadable resumes and prominently display certifications, that showcases my qualifications directly on the website.

### Snakes and Ladders Game | *Html, CSS, Javascript*

- Designed and implemented the game board using HTML and CSS, creating a visually appealing and responsive layout.
- This project offers an engaging and interactive way for users to enjoy a classic game online. It was my first venture into frontend development and game logic implementation, and it significantly enhanced my skills in these areas.

## Skills

Languages C, C++, MySQL, Java, Python, Object-Oriented Programming

Platforms Linux, Windows, Arduino, Excel, Apache Derby, GitHub

Design Graphic Design, Canva, HTML, CSS, JavaScript, Web Development, UI/UX Design, User Interface Development, Tailwind CSS, Design and Testing, Figma

Soft Skills Leadership, Event Management, Writing, Public Speaking, Time Management

## RELEVANT COURSEWORK

- Operating System
- Database Management
- Internet Of Things
- Theory of computation
- Networking
- Object Oriented Programming (OOPs)

## ACHIEVEMENTS

**Certifications:** Advanced Diploma in Networking (CCNA) — Cisco, Introduction to IoT, Introduction to Cybersecurity, Introduction to Data Science — Cisco Networking Academy

**Competitions:** 1st Prize in National Level Drawing Competition, 1st Prize in Face Painting Competition, 2nd Prize in Poem Writing Competition, 3rd Prize in Digital AD Making by Nutritional Club, BrainOBrain Gold Medal in 42nd Abacus Competition

## SOCIAL ENGAGEMENTS

**Club Member :** Graphic Design , Event Management at GirlUp Abhiti , Graphic Design Supporting Team Lead at OSCode Community

**At School Level:** Prefect , Environment Captain

**Sports-Engagements:** Badminton(Inter Zonal Level) , Swimming , Ball Badminton(Zonal Level) , Basket Ball

## LANGUAGES

German, English, Hindi
